IUCC Bulletin Volume 3 (1981)

ACUCHE Staff Training Working Party
J. Lindley 46

Advising Advisers - How Should We Train Advisory Staff?
D. G. Rush 109

An Introduction to Compiling on the DAP
S. R. House and D. C. Wood 60

AutoProg: A Software Development and Maintenance System
D. R. McGregor and J. A. Mariani . 27

Book Reviews 39,74,133

Building Local Networks to the *Ethernet* Specification
D. Hutchison and P. Corcoran 121

CODIL as an Information Processing Language for University Use
C. F. Reynolds 56

Computer Centre News
H. E. Davies 98
I. G. Moelwyn Hughes 144

Computer Science News
R. Edwards 95,146

Conversational Pascal
L. V. Atkinson and Siobhan D. North 24

Crystallography - A Science in Search of a Computer
Joan Halfpenny 101

Database Software or Database Machine?
J. Connett 131

Directors' Network Forum - December 1980
G. K. S. Browning 48

Distributed User Support in a Collaborative Nework
C. J. Higley 71

Editorial
G. K. S. Browning 55

Enhancing Personal Computers
O. P. Brereton 107

High Performance Personal Computers - Circa 1980
A. Tate 6

IDBACS: Interactive Data Base Administrator Control System
D. M. R. Ball 66

IUCC Chairman's Report 1980/81
Elizabeth Barraclough 139

IUCC News
R. J. Ord-Smith 52,91,141

IUCC Working Party on Computing Science Curricula: Draft Report on Single-Subject 'Engineering Style' Courses 43

IUCC/SSRC Workshop on Advisory and Guidance Services for Computer Users - Sheffield, March 1981
A. Gilmour 83

IUSC News
G. R. Field 53,92

IUSC Workshop on Database Software
J. R. Reeves 49

IUSC Workshop on Interative Statistics Software: Aberystwyth, July 1981
Jane Reeves 86

Letter to the Editor
L. V. Atkinson 100

Local Area Networks are Here to Stay
R. A. F. Chisholm 113

Microcomputers in University and Polytechnic Geography
J. A. Dawson 104

NCUF News
R. J. Ord-Smith 53,94,142

Network Installation Costs - Policy
H. J. Norton 90

Networkshop 7: Oxford, September 1980
G. W. Litchfield 47

Parallel Processing Systems: Loughborough, September 1980
Shirley A. Williams 81

Report from the IUCC Working Party on Information Services
Wendy Thomson 51,140

SIGUCC Peer Review on College and University Computing Centres
C. Dietz 18

Software Design of the Keele Terminal Access Controller
P. Trueman 126

SSRC News
A. Gilmour 54,93,143

SSRC Workshop on Database Systems in the Social Sciences: Cardiff, July 1980
N. J. Fiddian and M. W. Read 135

Teaching Scientists and Engineers to Program Microprocessors
M. D. Beer 35

The Central Computer and Telecommunications Agency - Its Role and Functions
P. Hearson 1

The Content Addressable File Store - A Technical Overview
V. A. J. Maller 11

The Harmonization of Melodies by Computer
E. Foxley 31

The Integration of Wide Area Communications
R. A. Rosner 37

The SSRC Software Subcommittee
C. Payne 88

The Use of Database Management Systems at Edinburgh Regional Computing Centre
G. M. Stacy 21

The 1981 IUCC Computer Science Colloquium
I. Mitrani 138

X25 Protocols and Local Area Networks
A. Grant and D. Hutchison 117
